25. Recommendation: Find that the Local Worker Job Order Contract Program, which is intended to foster the employment of local workers on Job Order Contract projects managed by Public Works, furthers a legitimate public interest; approve the implementation of the Local Worker Job Order Contract Program as part of the procurement process with an aspirational goal of 40% of California construction labor hours to be performed by qualified local workers residing in zip codes that are within a 15-mile radius of the Job Order Contract jobsite. (Department of Public Works) (09-2711)

William T Fujioka, Chief Executive Officer, and Massood Eftekhari, Deputy Director of Public Works, responded to questions posed by the Board.

After discussion, Supervisor Knabe made a motion to instruct the Director of Public Works to report back quarterly on the costs associated with individual Job Order Contracts.

On motion of Supervisor Knabe, seconded by Supervisor Ridley-Thomas, this item was approved as amended.
